All change at the bottom.

The bottom two swap places on a dramatic final day, with Gorsemeisters winning and Corberan's Chinos losing.

Apart from that, there was no change in the rest of the table.

Mitrovic (Dunk and Disorderly) ended up top scorer with a massive 22 goals, seven clear of the nearest challenger.

Coreberan's misery was tempered slightly with winning the Top Weekly Score prize.

Dunk and Disorderly also won a league and cup double.

Many thanks to you all for taking part.

I look forward to next season, details to be confirmed later next month. In the meantime, should any of you know of anyone who would like to take part, please give them details of the website, and let me have their details.
